

Baron Henri

As a tribute to her ancestors and to honour her illustrious family, Baroness Philippine de Rothschild associated their names with a selection of wines from great Bordeaux appellations.

Baron Henri Médoc is dedicated to Baron Henri de Rothschild (1872-1947).

A man of many talents (doctor, philanthropist, playwright, and bibliophile), he left a large collection of 18th century books to the French National Library.

This wine is made in a world-famous winegrowing area, planted with premium grape varieties: Merlot, Cabernet Sauvignon, Cabernet Franc.

Médoc Baron Henri is elegantly oaked.
