CABERNET SAUVIGNON
GRAN RESERVA

At Los Vascos, we are cultivators at heart. We cultivate not only vineyards but a common dream of a fruitful eco-system producing the most elegant Chilean wines.

The Cromas Gran Reserva wines come from selected terroirs on the foothills of the mountains: they are the result of years of patient research to find the purest expressions of these new soils.

The nose is complex starting with notes of red fruit, strawberry and red cherry to then move into deeper hints of bay leaf, tobacco, toffee and graphite. The wine is medium to full-bodied, elegant and well balanced with polished tannins and a long persistence on the palate.
